One-on-One meetings use direct phone interaction

Multiple Participant Meetings- If you have questions, you may enter them as a text message in the lower right-hand side box. Clicking on the "hand" will allow you to be selected to ask questions while in "multiple person meetings". Otherwise, you may interactively chat as the seminar progresses to ensure you understand the topics presented by pressing *6 to Mute and Un-Mute your phone.

Then next screen will be a transition page taking you to the software that we will be using-

Thank you for registering! You will now be forwarded into the meeting room site and we will begin shortly.

You may Select "System Test" from the list on the right if you have never Conferenced and it will test your system for updates and compatability.
